

GANESH BOXES & CARTONS

Packaging Solutions since 2009 · Ambernath, Maharashtra

What started in a rented gala with two manual machines is today a trusted name in corrugated packaging across the Mumbai-Pune belt. Our commitment to quality, timely delivery and customer satisfaction has earned us the confidence of more than 180 regular buyers.

In an industry where packaging is often treated as an afterthought, we believe the box is the first thing your customer touches. That belief drives everything we do, from raw material selection to final despatch.

Plant and machinery

- Corrugation machine, E and B flute, 42 inch and 52 inch
- Flexo 2 colour printer slotter
- Semi-automatic stitching machine, 2 nos.
- Rotary die punching machine
- Quality lab — bursting strength tester, GSM checker, thickness gauge

Capacity

28,000+ boxes per day · 3,100 metric tonnes per annum · Two shifts, extendable to three at short notice.
