

Quotation for annual corrugated packaging, FY27

To: Nandan Consumer Products Ltd, Bhiwandi Distribution Centre · Kind attn: Category Purchase · Ref your enquiry RFX-2026-CORR-011 dated 24 August 2026

We thank you for the opportunity. Our rates for the referenced requirement are set out overleaf. All rates are quoted **FOR your Bhiwandi Distribution Centre and are inclusive of GST**. Payment terms 45 days from GRN. This offer is valid for 30 days.

Please note we are presently unable to offer against your die-cut mailer requirement, as we do not operate a die-cutting line. Those items are therefore not included below.

Basis of quotation

Rates are computed on 180 GSM virgin kraft liner with semi-chemical fluting medium, BC flute for five-ply construction and B flute for three-ply, unless otherwise agreed in writing.

All dimensions stated are internal dimensions in millimetres, in the order length by width by height, measured in accordance with your enquiry.

Board strength is certified by Edge Crush Test determined per ISO 3037. We do not quote bursting factor, as the two measures are not interchangeable and we prefer not to state a figure we have not ourselves measured.

Rates assume despatch in full truck loads to your Bhiwandi Distribution Centre on a monthly indent, and include palletisation, stretch wrap and freight.

Where an item is not listed in the schedule below, we are not in a position to offer against it at this time.
